Flex your security muscles by locking down permissions and tracking changes.

Superbadge
Lightning Experience Reports & Dashboards Specialist
Completed February 19, 2021

Design powerful reports and dashboards to shine a light on your data.

Superbadge
Business Administration Specialist
Completed February 18, 2021

Brighten up a new business unit with the Salesforce tools the team needs to succeed.

First movements

- Create custom objects and record types, including custom fields.

- Create a new app for the streamlining of the objects that were required, filtering out the ones that weren't.

- Creating custom profiles, altering the OWDs for specific security purposes.

Demonstration
